

Uncork Joy. Build Community. Maximize Impact.

Making an impact since 2025, The Kindness and Joy Project is a non-profit that brings charities and communities together in a sense of philanthropy and service. Being blessed in life by the kindness and generosity of family, friends and community, the Kindness and Joy Project is a way to ‘pay it forward’ to others who could use timely financial or in-kind support and service. The Foundation has helped thousands directly and indirectly and continues to seek pathways to continue offering kindness and joy to others.
